Canada: A Vast and Welcoming Nation

Canada, the second-largest country in the world, boasts an expansive landscape that includes 10 provinces and 3 territories, encompassing over 8,000 cities and sharing 120 borders with the United States. In 2023, Canada welcomed 74.5 million international arrivals, including non-resident visitors and returning Canadian residents, marking an impressive increase of almost 1.5 times the number from 2022 and over four-fifths (84.1%) of the arrivals seen in 2019. Known for its diversity and inclusivity, Canada is not just a country but a welcoming home for immigrants from around the globe.

Canadian passport holders can travel visa free to 152 countries and territories.

Why Choose Immidesk?

1. More Than Just Consultants

We go beyond traditional consultancy – we are your study advisors and career counselors, guiding you from choosing the right program to shaping your long-term career path.

2. Authorized & Trusted Partnerships

We only work with DLI-licensed (Designated Learning Institutions), ensuring students are applying to legitimate and recognized institutions in Canada and other countries.

3. Program Diversity & Flexibility

We offer a wide range of programs across various fields, catering to different interests, qualifications, and future goals – there's something for everyone.

4. Nearly a Decade of Experience

With almost 10 years of hands-on experience handling diverse student profiles, our team understands what it takes to build a strong, successful application.

5. Lowest Service Fees in the Market

Our commitment is to make international education accessible – that's why we provide top-tier services at the most affordable fees in the market.

6. Genuine, Ethical Guidance

At Immidesk, we prioritize transparency, ethics, and student welfare. We don't believe in shortcuts – only real, achievable pathways.

7. Global Approach with Local Support

Whether you're applying from India, the Middle East, or elsewhere, we provide personalized, localized support with a global vision.
