

*"In London everyone is different and
that means anyone can fit in ."*

Study in **UK**

The United Kingdom is one of the only countries in the world without a national day to celebrate the country. This could be held annually on the May Day Bank Holiday and used to mark the anniversary of the Acts of Union which created our United Kingdom on the 1st of May, 1707

Interesting Facts :

In the UK, you are never more than 70 miles (113km) from the sea.

The UK is famous for its stunning castles, beautifully structured historical university buildings, football and, of course, the classic fish and chips.

The culture of the UK is very diverse, as the population is a mix of different generations.

The UK is the only country not required to name itself on its postage stamps.
